

SATISH CHANDRA MEMORIAL SCHOOL

GEOGRAPHY – GLOBE- LATITUDES AND LONGITUDES

HOT QUESTIONS:

1. Why is there a need to draw imaginary lines on the globe?
2. What are Time Zones? Give example.
3. What would have happen if we had no Standard Time?
4. Places on different longitudes have time difference. Why?
5. If you have to travel from India to Germany and from Germany to Japan and from Japan to back to India, how will you adjust the time on your watch?
