

## CASE STUDY 2

One rainy day, Sarah found a small, wet kitten meowing outside her house. The poor kitten looked scared and lost. Sarah decided to take the kitten in and give it a warm, dry place to stay. She named the kitten Whiskers. Sarah fed Whiskers some milk and gently dried him with a towel. Whiskers quickly became comfortable and started purring softly. Sarah played with him and gave him a cozy bed to rest. The next day, Sarah asked her neighbours if they knew anything about a lost kitten, but nobody claimed Whiskers. Sarah decided to keep him as her own pet. Whiskers grew into a playful and loving cat. He and Sarah became inseparable friends, and Whiskers never felt lost again.
