

Case study

(Games we play)

Hockey, football, cricket, basketball and volleyball are some popular team games. Playing team games teaches us the values of teamwork and cooperation. Most schools appoint a special sports coach to train children in team games.

Answer the following:

- 1.You give a 'test' in this game. _____
- 2.Can we win all the games we play?
3. Name the game mentioned in the passage , in which we use a special stick to play?
- 4.Name one Football player from India.
