Dear [Friend's Name]

I hope this letter finds you in good health. I'm writing to tell you about the amazing summer vacation I had this year!

I visited my grandparents in the village. The air was so fresh, and the surroundings were so peaceful. I spent most of my time playing with the farm animals and exploring the nearby fields. Every evening, we went for long walks, and my grandmother told me interesting stories about her childhood. I even learned how to milk a cow! It was so much fun.

I wish you could have joined me. How was your summer vacation? Did you go somewhere exciting? I'm sure you must have done something interesting. I can't wait to hear all about it.

I hope we can meet soon and play together. Write back to me when you have time .Take care and give my regards to your elders
