

CLASS VIII

HOTS

Social science

1. A. The law and order was not uniform in ancient India. Write examples in support of your answer.
B. Who took the initiative to bring an uniformity in laws in India? How did he do so? (3+3)
2. Imagine yourself as a tribal youth who is living in British India. You are trying to bring a change in tribal society. What steps would you take to awaken people? Do you think the British are only responsible for your everyday struggle? (3+2)
3. A. You are going to stand in the loksabha election from your constituency. How will you motivate people to vote for you?
B. Do you think people's responsibility is concluded with the end of the election? Write your opinion in brief. (3+2)
