

MAP POINTING ON GEOGRAPHY 2

Class 12 - Geography

Time Allowed: 2 hours

Maximum Marks: 205

1. On the given political outline map of **India** (on page 23), locate and label any **five** of the following seven [5]
geographical features with appropriate symbols:
- The state with lowest level of population density
 - The city of West Bengal having more than 10 million population
 - The state leading in the production of cotton
 - Bailadila - iron-ore mines
 - Mathura - oil refinery
 - Marmagao - seaport
 - An international airport in Assam

2. On the outline of the Indian map mark and indicate the following features. [5]
- One state with a lowest level population density
 - Largest Rice producing state
 - Copper-mines in Hazaribagh
 - International airport Guwahati
 - Highest out-migrating state in India
3. On the given political outline map of India, locate and label any **five** of the following: [5]
- A state with highest level of population density.
 - A state with highest level of urbanisation.

- iii. A state leading in the production of jute.
- iv. Koraput-bauxite mines.
- v. Jharia coal mines.
- vi. Mangaluru seaport.
- vii. An international airport in Punjab.

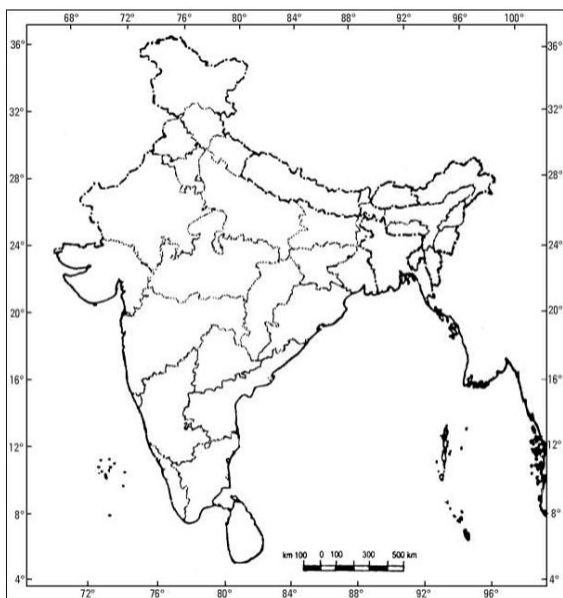

4. On the outline of the Indian map mark and indicate the following features. [5]

- i. Highest populated state in India
- ii. Coal mines in Raniganj
- iii. Cotton textile Murshidabad
- iv. Highest out-migrating state in India
- v. South-end corridor

5. Locate and label **any five** of the following geographical features on the political outline map of **India** with appropriate symbol: [5]

- i. The State having the highest rank in the Human Development Index
- ii. The State having highest population density (2011)
- iii. The leading groundnut producer State
- iv. Bailadila - iron ore mines
- v. An oil refinery in Punjab
- vi. A centre of cotton textile industry in Karnataka
- vii. The major seaport in Andhra Pradesh
- viii. The eastern terminal station of East-West Corridor

6. On the outline of the Indian map mark and indicate the following features.

[5]

- i. One state with the lowest level of HDI.
- ii. Largest Cotton producing state.
- iii. International airport Guwahati.
- iv. north-end corridor.
- v. Major seaport in Paradip.

7. Locate and label any five of the following geographical features on the Political Outline map of India with appropriate symbols:

[5]

- a. Iron ore mines of Karnataka
- b. Bokaro Coal mines
- c. Manganese mines in Madhya Pradesh
- d. The state leading in the production of rice
- e. An important seaport in Kerala
- f. Copper mines of southern Jharkhand
- g. The state with highest population density

8. Locate and label the following five features on the given political outline map of India:

[5]

- i. The oldest copper mine of India.
- ii. Mayurbhanj - an iron ore mining area.
- iii. The integrated iron and steel plant located in Chhattisgarh.
- iv. A lignite coal mine in Tamil Nadu.
- v. The software technology park located in Gujarat.

9. On the given political outline map of India, locate and label any **five** from the following **geographical features** with appropriate symbols:

[5]

- a. Bauxite mines located in Odisha.
- b. Ratnagiri-iron-ore mines.
- c. An oil refinery in Uttar Pradesh.
- d. Hazribagh copper mines.
- e. The eastern-most station on the East-West corridor.
- f. The Southern-most metropolitan city connected by Golden Quadrilateral.

10. Locate and label any five of the following geographical features on the Political Outline map of India with appropriate symbols:

[5]

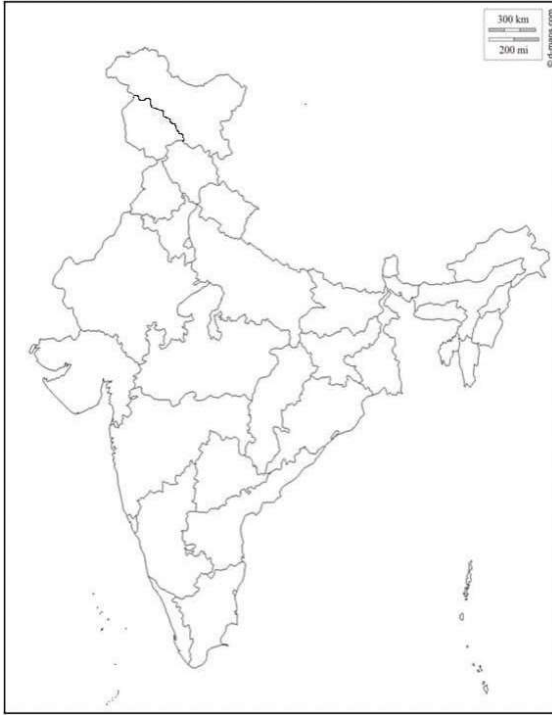

- Iron ore mines of Chhattisgarh
- Bauxite mines located in Madhya Pradesh
- Oil Refinery located in Bihar
- The state leading in the production of Tea
- The state with highest population density
- Copper mines of southern Jharkhand
- An international airport in the capital of India

11. Locate and label any five of the following geographical features on the Political Outline map of India with appropriate symbols:

[5]

- a. Iron ore mines of Chhattisgarh
- b. Oil Refinery located in Uttar Pradesh.
- c. The largest Lignite coal mines.
- d. The state leading in the production of Rice
- e. The state with lowest population density
- f. Oldest Copper mines of Rajasthan
- g. An important seaport in Maharashtra

12. On the outline of India mark and indicate the following features. [5]

- i. State having highest urban population
- ii. Software technology park in Telangana
- iii. International airport located in Assam
- iv. Bauxite mines in Odisha
- v. Copper mine located in Rajasthan

13. Locate and label any five of the following geographical features on the Political Outline map of India with appropriate symbols: [5]

- a. Coal mines of Jharkhand which are closer to West Bengal
- b. Manganese mines in Madhya Pradesh
- c. Oil Refinery located in Gujarat
- d. An important seaport in Maharashtra
- e. The state leading in the production of Rice
- f. Bauxite mines located in Madhya Pradesh
- g. An international airport in Tamil Nadu

14. Locate and label any five of the following geographical features on the Political Outline map of India with appropriate symbols:

[5]

- a. Iron ore mines located in Karnataka
- b. Oil Refinery located in Uttar Pradesh
- c. Manganese mines in Karnataka
- d. The state leading in the production of Jute
- e. The state with lowest population density
- f. Bauxite mines located in Odisha
- g. An important seaport in Gujarat

15. On the given political outline map of **India**, locate and label any **five** of the following seven geographical

[5]

features with appropriate symbols:

- i. The state with the highest level of population density
- ii. A city of more than 10 million population located in Karnataka
- iii. The leading sugarcane producing state
- iv. Hazaribagh - Copper mines
- v. Neyveli - Coal mines
- vi. Sea-port located in Odisha
- vii. International airport located in Assam

16. Locate and label any five of the following geographical features on the Political Outline map of India with appropriate symbols:

- a. Iron ore mines of Odisha
- b. Manganese mines in Karnataka
- c. A coal mine located in West Bengal
- d. The state leading in the production of Cotton
- e. An important seaport in Karnataka
- f. Copper mines of Rajasthan
- g. An international airport in Gujarat

[5]

17. Locate and label any five of the following geographical features on the Political Outline map of India with appropriate symbols:

[5]

- a. Iron ore mines of Maharashtra
- b. Bauxite mines located in Chhattisgarh
- c. Oil Refinery located in Uttar Pradesh
- d. The state leading in the production of Cotton
- e. An important seaport in West Bengal
- f. Coal mines of northern Jharkhand
- g. The state with lowest population density

18. On the outline of the Indian map mark and indicate the following features.

[5]

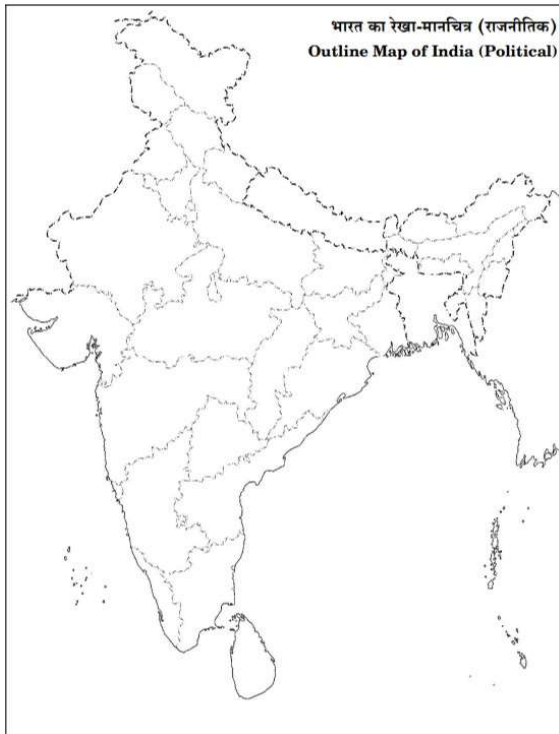

- i. One state with a lowest level population density
- ii. Manganese mines in Balaghat
- iii. Software technology park in Mohali

- iv. leading Major industrial regions in south India
- v. East-end corridor

19. On the given political outline map of **India**, locate and label any **five** of the following seven geographical features with appropriate symbols:

[5]

- i. A state with highest level of urbanization
- ii. A city with more than 10 million population in Maharashtra
- iii. A state leading in the production of tea
- iv. Mayurbhanj - iron-ore mines
- v. Balaghat - manganese mines
- vi. Kochi - seaport
- vii. Ahmedabad - Airport

20. On the outline of the Indian map and indicate the following features.

[5]

- i. One state with the lowest level of HDI
- ii. Manganese mines in Balaghat
- iii. Iron plant in Durgapur
- iv. One out-migrating west state
- v. East end corridor

21. Locate and label any five of the following geographical features on the Political Outline map of India with appropriate symbols:

[5]

- a. Bauxite mines located in Odisha
- b. Ratnagiri-iron-ore mines
- c. An oil refinery in Uttar Pradesh
- d. Hazaribagh copper mines
- e. An important seaport in Kerala
- f. The state leading in the production of Sugarcane

g. An international airport in Telangana

22. Locate and label the following five features on the given political outline map of India: [5]

- i. The leading tea producing state.
- ii. The major coalfield located in Tamil Nadu.
- iii. An integrated Iron and Steel Plant in Odisha.
- iv. The leading jute producing state.
- v. A copper mining area of southern Jharkhand.

23. Locate and label any five of the following geographical features on the Political Outline map of India with appropriate symbols: [5]

- a. Bokaro - Coal mines
- b. Singhbhum - Copper mines
- c. Jamnagar - Oil refinery
- d. Bailadila - Iron-ore mines
- e. An important seaport in Odisha.
- f. The state leading in the production of Coffee.
- g. The state with the lowest population density.

24. Locate and label any five of the following geographical features on the Political Outline map of India with appropriate symbols:

[5]

- a. Raniganj - Coal mines
- b. Balaghat - Manganese mines
- c. Bellary - Iron-ore mines
- d. Jamnagar - Oil refineries
- e. An international airport in Assam
- f. The state leading in the production of Wheat
- g. An important seaport in Goa

25. On the outline of the Indian map mark and indicate the following features.

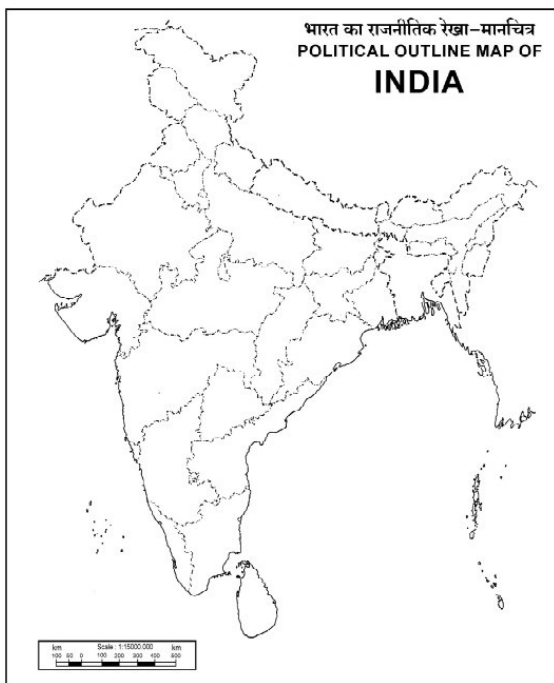

[5]

- i. Name the state leading producer of sugarcane.
- ii. Jute producing state.
- iii. Software Technology Park in the central area.
- iv. Highest in-migrating state in west India.
- v. West-end corridor.

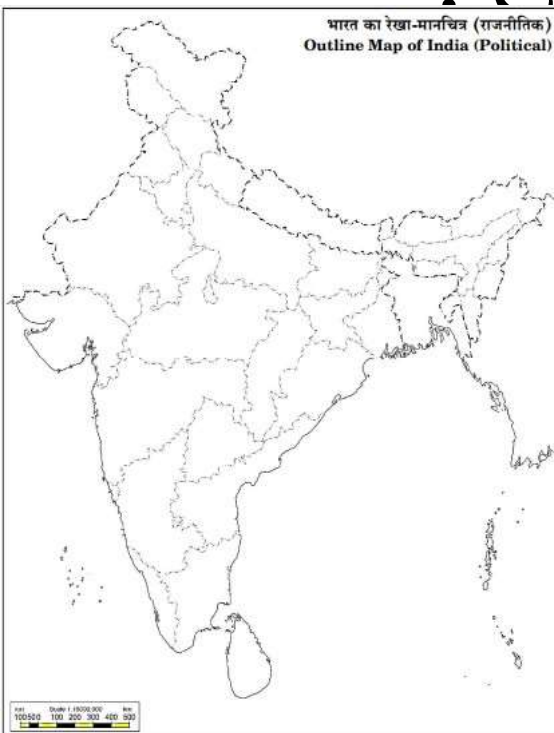

26. On the given political outline map of India, locate and label any five from the following Geographical features with appropriate symbols:

[5]

- a. Raniganj - Coal mines
- b. Balaghat - Manganese mines
- c. Khetri - Copper mines
- d. Jamnagar - Oil refineries.
- e. The southern-most station of North-South Corridor.
- f. The eastern-most metropolitan city connected by golden quadrilateral.

27. On the given political outline map of **India**, locate and label any five from the following geographical features with appropriate symbols: [5]
- Ratnagiri - Iron-ore mines
 - Shimoga - Manganese mines
 - Jamnagar - Oil refinery
 - Eastern-most station of the East-West Corridor
 - Neyveli - Coal mines
 - Southern-most metropolitan city connected by 'Golden Quadrilateral'

28. Locate and label any five of the following geographical features on the Political Outline map of India with appropriate symbols: [5]

- a. Iron ore mines of Chhattisgarh
- b. Coal mines in Tamil Nadu
- c. Bauxite mines located in Madhya Pradesh
- d. An important seaport in Odisha
- e. The state leading in the production of Sugarcane
- f. Copper mines of northern Jharkhand
- g. An international airport in Assam

29. Locate and label any five of the following geographical features on the Political Outline map of India with appropriate symbols:

[5]

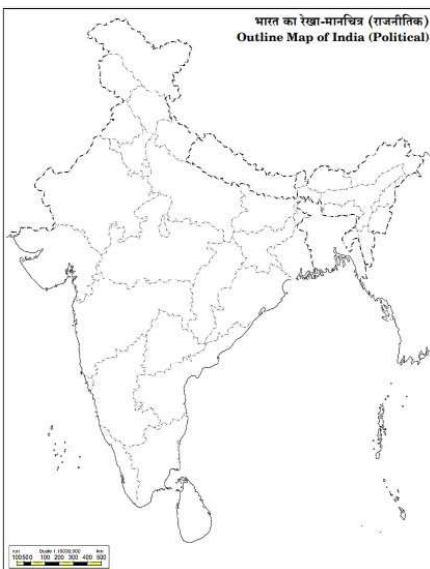

- a. Iron ore mines of Odisha
- b. Oil Refinery located in Bihar
- c. A coal mine in West Bengal
- d. An important seaport in Karnataka
- e. The state leading in the production of Cotton
- f. Hazaribagh Copper mines
- g. The state with lowest population density

30. Locate and label any five of the following geographical features on the Political Outline map of India with appropriate symbols:

[5]

- Mayurbhanj Iron-ore mines
- Shimoga Manganese mines
- Jamnagar Oil refinery
- An important seaport in West Bengal
- Name an important coal mine in Tamil Nadu
- The state leading in the production of Cotton
- The state with lowest population density

31. Locate and label any five of the following geographical features on the Political Outline map of India with appropriate symbols:

[5]

- Iron ore mines of Karnataka
- Oil Refinery located in Gujarat
- The coal mines of the largest coalfield in Jharkhand

- d. The state with highest population density
- e. An international airport in Telangana
- f. Bauxite mines located in Madhya Pradesh
- g. The state leading in the production of Tea

32. Locate and label any five of the following geographical features on the Political Outline map of India with appropriate symbols:

- a. Iron ore mines of Maharashtra
- b. Jharia coal mines
- c. Manganese mines in Madhya Pradesh
- d. An international airport in Kerala
- e. The state leading in the production of coffee
- f. Bauxite mines located in Chhattisgarh
- g. An important seaport in Andhra Pradesh

[5]

33. Locate and label any five of the following geographical features on the Political Outline map of India with appropriate symbols:

- Oil refinery located in Bihar
- Khetri Copper mines
- Katni Bauxite mines
- An international airport in Punjab
- An important seaport in Gujarat
- The state with highest population density
- The state leading in the production of Tea

34. On the outline of the Indian map mark and indicate the following features.

- One state with the highest level of HDI
- Iron ore mines in Ratnagiri
- The international airport in Delhi
- Steel plant in Jamshedpur

[5]

[5]

v. Oil Refinery in Jamnagar

35. On the given political outline map of **India**, locate and label any **five** from the following geographical features [5]
with appropriate symbols:

- a. Oil refinery located in Bihar
- b. Khetri - Copper mines
- c. Katni - Bauxite mines
- d. Coal mines located in West Bengal
- e. Western Terminal of East-West Corridor
- f. Eastern-most **metropolitan** city connected by **Golden Quadrilateral**

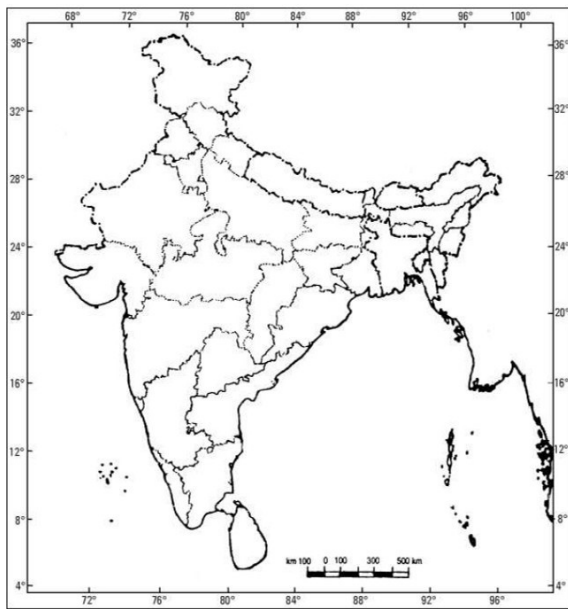

36. On the outline map of India mark and indicate the following features. [5]

- i. State which has the lowest urban population
- ii. Iron and steel plant in Bhadravati
- iii. major seaport in Tuticorin
- iv. Coal mines in Jharia
- v. Cotton textile in Varanasi

37. Locate and label **any five** of the following geographical features on the political outline map of **India** with appropriate symbols: [5]

- i. A major seaport in Gujarat
- ii. The Headquarter of Central Railway Zone
- iii. Software Technology Park in Telangana
- iv. The iron and steel plant located in Karnataka
- v. The leading rice producer State in India
- vi. An oil refinery in Assam
- vii. A mine of Bauxite in Odisha
- viii. The leading State in the field of out-migration

38. On the outline of the Indian map mark and indicate the following features.

[5]

- i. One state with the lowest level of HDI
- ii. Copper-mines in Hazaribagh
- iii. Largest coffee-producing state
- iv. Major seaport in Chennai
- v. Golden Quadrilateral east of India

39. Locate and label any five of the following geographical features on the Political Outline map of India with appropriate symbols:

[5]

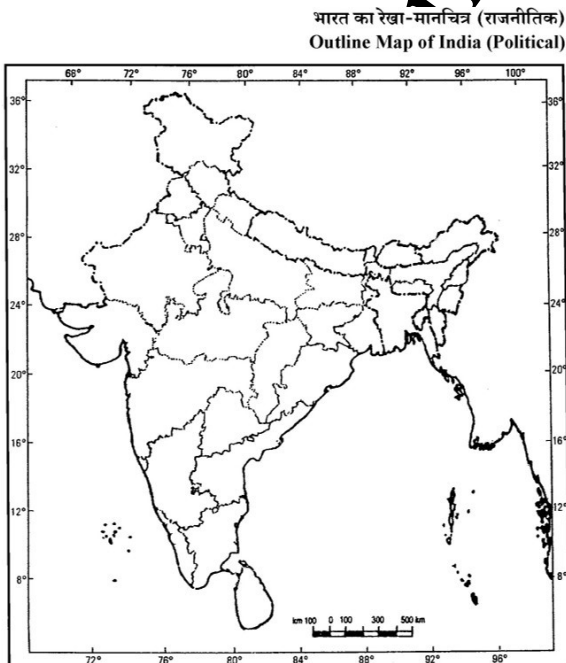

- a. Oil refinery located in Uttar Pradesh
- b. Khetri Copper mines
- c. Bauxite mines located in Odisha
- d. The state leading in the production of wheat
- e. Bellary Iron-ore mines
- f. The state with lowest population density
- g. An important seaport in Gujarat

40. Locate and label any **five** of the following geographical features with appropriate symbols on the political outline map of India:

[5]

- i. The state with highest level of urbanization.
- ii. The leading state in the production of coffee.
- iii. An oil refinery in Haryana.
- iv. The steel plant setup in collaboration with U.K.
- v. An international airport in Assam.
- vi. The major seaport in Odisha.
- vii. The Headquarters of North-Eastern Railway.
- viii. Singareni coal mines.

41. Locate and label the following features in the given outline political map of India (Attempt any 5):

[5]

- a. Bokaro - Coal mines
- b. Singhbhum - Copper mines
- c. Jamnagar - Oil refinery
- d. Bailadila - Iron-ore mines
- e. The northern most metropolitan city connected with Golden Quadrilateral
- f. The eastern terminal station of East-West corridor
