

SUMMARY & QUESTIONS

TREE 🌲🌲🌲

The poet lists down the various activities done on trees. Birds live in the trees, children climb trees and play. They make tree houses, swing swings on trees. The wind also blows through the trees. The children hide behind trees when they play hide and seek. People sit under the shade of the tree and enjoy tea parties. The kites flying in the sky get caught in the trees, The cool shade of the tree is enjoyed by people during the hot summer months. In the winter months they do not give shade because they have shed all the leaves. Trees bear many fruits like apples and pears, they are cut and the wood is used as timber. The mothers see the beautiful trees and say that the scene is good to paint a picture. The fathers see the trees and say that the trees are full of leaves and they will have to collect a lot of leaves when they fall off the trees, during the fall season.
