

Presentational Activity on English Literature

1. INTRODUCTION

2. What is the main idea or story of the text?

Can you describe what happens or what the text is mainly about in your own words?

3. Who are the main characters or the speaker in the text?

What do they do, and how do they feel or change throughout the story or poem?

4. Where and when does the story/incident take place?

What is the setting of the text, and how does it influence the characters or events?

5. What words, phrases, or images stood out to you?

Did you notice any similes, metaphors, or other literary devices? How do they make the text interesting?

6. What is the author trying to tell us through this text?

What do you think is the main message or lesson we can learn from it?

7. Did anything in the text remind you of your own experiences or something happening around you?

How can you relate to the characters or the events described?

8. What questions do you have after reading the text?

Is there anything you found surprising, confusing, or something you want to learn more about?

9. SUM UP
