

CASE STUDY

→ 1 plant represents 10 plants

Monday	  
Tuesday	      
Wednesday	     
Thursday	       
Friday	   
Saturday	 

Different number of trees were planted by the students on 6 days of a week. This is shown in the following pictograph.

- How many trees were planted on Friday ?
- On which day were the maximum number of trees planted ?
- What is the difference between the maximum and minimum numbers of trees planted on both days ?
- How many total trees were planted on Monday, Wednesday and Friday ?
- On which day least number of trees were planted ?
