

What are they and How do they function?

1 **Oh dear me**, the plan, **our last hope**, failed miserably, **in order that** we could try again.

2 **Weather permitting**, they set out at dawn, **so that** they could reach before sunset.

3 **Good heavens**, the car, **a vintage beauty**, broke down **because of which** we missed the show.

4 **His arms folded**, he stood silently, **even if** the crowd grew restless.

5 **Oh my goodness**, their leader, **an experienced mountaineer**, cancelled the trek **as long as** the weather remained rough.
