

Walls tell stories

Look carefully at the map of Golconda. On the map, arrows show all the four directions-

1.If you are peeping inside from Bodli Darwaza, in which direction from you is Katora Hauz?

2.If someone is entering from Banjara Darwaza, in which direction from her is Katora Hauz?

3.In which direction will you walk from Bala Hisar to reach Moti Mahal?

Q2. Draw and labelled the water arrangement system inside the Golconda fort and answer the following questions below :

1.What is the primary purpose of the toothed wheel arrangement in Golconda Fort's water system?

- A) To generate electricity**
- B) To lift and transport water**
- C) To grind grains**
- D) To operate gates**

2.How would this garland of pots lift water from the well?

Answer: The garland of pots is connected to the toothed wheel, and thus the garland of pots moves. Once a pot is in water, it gets filled with water. Then the pot moves upward, carrying water along with it.

3.How did the emperiors and kings in earlier times make smaller kingdom a part of their own kingdom?

Ans by own
