

Comprehension

Read the passage carefully and answer the following questions:

Once upon a time there were three bears who lived in a little house, right in the middle of the forest. There was a great, fat Father Bear, and smaller Mother Bear and tiny Baby Bear. One morning Mother Bear made a big pot of porridge and put it into three bowls for breakfast. But the porridge was too hot to eat, "we will leave it to cool, while we go for our early morning walk", said Father Bear. "When we come back, it will be just right." So off they went into the forest.
