

SATISH CHANDRA MEMORIAL SCHOOL

SUMMER HOLIDAY HOMEWORK

CLASS II

Case Study

I am an elephant. I live in the forest . I am big in size I have a huge trunk and a small tail. My friends call me Jumbo . I love eating bananas and other fruits. The sound I make with my trunk is called ‘trumpet’. Small animals are afraid of me. But I try to be nice to them. I love to play with water. I sit in the pond to cool myself in summers.

Check the correct options :

1) A baby elephant is called a _____
