Dear Grandma and Grandpa,

I hope this letter of mine finds you in the pink of health and happy spirit. This year my birthday was celebrated with much fun and I received your gift yesterday.

Thank you so much for the lovely gift you sent me on my birthday. I liked the storybook and the new dress very much. The storybook has many interesting tales

that I enjoy reading every night.

Enough for
today. I miss you both very much.
Please come and visit us soon.

With lots of love,
Your loving granddaughter,
Your name.
