

Madhu's Wish

Classwork 10.11.2025

1. If you were in Madhu's place, what would you like to wish for and why?

Ans - If I were in Madhu's place, I would like to wish from the Banyan tree to be a good human being first because only a good natured human being can spread happiness and help the people in need and make the world a better place to live in harmony.

2. Do you think the old man had magical powers? Justify your answer.

Ans - Yes, I think the old man had

magical powers. As Madhu was kind to him, the old man gave him a boon of granting anything he wished for from the banyan tree.

3. 'Water is important to us'. State a few reasons for it.

Ans - Water has many importance in human life. It maintains bodily functions like digestion, blood circulation, regulating body temperature. It helps in agriculture, cooking and maintaining hygiene.

4. State the moral of the story.

Ans - The moral of the story is that one should think carefully about their

wishes and understand their true needs rather than being greedy and also the importance of water.

5. Name the writer of the story.

Ans - The writer of the story Madhu's Wish is Sudha Murty.
