

Class test on Madhu's Wish

17.11 2025

Full Marks - 10

Choose any two questions and answer them in complete sentences -

1. State the reason why Madhu shared his food. If you see a hungry person or animal, discuss your reaction towards the person or animal. Do you agree that if you help others, it would come back in return? Support your answer with an example from your own experience. (1+2+2)

2. The story shows the greediness of Madhu that teaches him an important lesson. Do you agree with the way the magical tree taught Madhu a good

lesson? If you were the magical tree, how would you have taught Madhu a good lesson? (2+3)

3. "My child, you have been so kind. In return, you can wish anything from this tree and it will be granted."

Name the speaker of the given sentence and to whom did he tell this? Do you agree that the speaker had some magical powers? Write the antonym of grant and make a meaningful sentence with it. (2+1+2)
