Class V

Q) Neeta and Rashi have set their foot out to find a treasure chest with the help of the given treasure hunt map, help them place the given articles in the treasure map as per the following given information:-

- Neeta took out the tools to cut the bushes and branches from their path first to make way through the forest.
- Rashi took the help of the map next to find their way ahead
- Rashi took out the Compass after covering some distance
- They both took a rental car near the mountains to reach their destination.
