NIGHT

MAKE SENTENCES

Shining – The sun is shining brightly in the sky.

Hill – We climbed a small hill near our house.

Peep – I peep through the window in the morning.

Grass – The green grass looks fresh after rain.

Dark – The sky becomes dark at night.

QUESTION AND ANSWERS

Q1.The poem says that night brings rest and calmness.

Imagine you had a very tiring day at school. How does night help you recover? Give any two ways.

Answer: If i had a very tiring day at school then sleeping at night revive my energy for the next day. The two ways to recover are -

1) Dark and quiet room helps me to calm my mind and to get a good sleep at night.

2) Every night my mother narrates me stories and her warmth enables me to sleep.

Q2. Describe your favourite night-time scene.

Answer:

My favourite night-time scene is the moon shining in the sky with twinkling stars. The weather is cool and calm, and everything feels peaceful.

Q3. "I wonder where it goes at night."

(a) The poet talked about "it" Identify the thing being

referred to.

Answer: The thing being referred to is the Sun.

(b).The moon goes somewhere during the day. Explain your views regarding the above statement.

Answer:The moon does not really go anywhere. It is present in the sky during the day also, but we cannot see it clearly because of the bright sunlight.

Q4.State the things you see in the night sky.

Answer:

We see the moon, stars, and sometimes clouds in the night sky.

Q5. The Sun is the source of heat and energy. Explain your views.

Answer:

The Sun gives us heat and light. Plants use sunlight to make food, and all living beings depend on the Sun for energy.
