Find out the incorrect articles in the given passage and correct them.

In a small village, there was an little girl named Lily. She had the cat, and every day, the cat would climb the tree near their house. An tree provided shade, and Lily and her cat enjoyed sitting under it. One day, they found a abandoned puppy. Lily decided to keep it, and now, three of them spent their days exploring a fields and playing near the river. Lily loved her pets, and a village people loved the bond between a girl, an cat and an puppy. The village became a happier place in their presence, and everyone cherished a friendship that blossomed under the tree.
