My dear grandparents,

I hope you both are fine. I really miss you both a lot. It's been many days I haven't seen you both. I keep asking about you both to my mother.

I am writing the letter to share with you about my birthday celebration last week. I know you both also missed me on that day. My father arranged a small gathering at our home and my

mother prepared all my favourite dishes. I cut a big cake and everybody gave me gifts. A few neighbours and my friends were invited. My parents were so happy and did not leave any opportunity less to make me happy.

I hope to celebrate my next birthday with you both. I pray to God that he keeps you both well and happy. Hope to meet you soon.

Your loving grandson/granddaughter,
