Dear Grandparents,

I hope this letter of mine finds you both in the pink of health and happy spirit. I am writing this letter to share with you about my birthday celebration last week.

Last week, my father arranged a small gathering at our home and my mother prepared all my favourite dishes along with a lovely cake. My father had gifted me a

bicycle. A few neighbours and friends were also invited. I enjoyed my birthday a lot, but I missed your presence on that day. I hope to celebrate next year's birthday with you both.

I am eagerly waiting for your arrival. Ending this letter with lots of love and regards.
Yours lovingly,
