

Reading comprehension :

Read the passage carefully and Answer the following questions :

A little owl named Ollie lived in a tall tree.

One evening, Ollie saw a little bird crying near its nest. The wind was too strong, and the baby birds were scared.

Ollie thought for a moment. He flew to the nearest village and asked for help. The people gave him some dry leaves and small sticks. Ollie carefully carried them with his beak.

He rebuilt the nest and made it stronger. The baby birds felt safe and happy.

The little bird said, "Thank you, Ollie! You are very kind and wise."

Ollie smiled and flew back to his tree. He felt happy for helping his friends.

1. Which quality helped Ollie to solve the problem instead of ignoring it?

- a) Anger
- b) Kindness and wisdom
- c) Laziness
