

SATISH CHANDRA MEMORIAL SCHOOL

METRER Examination 2026-27

CLASSES-III TO IX

Dear Candidates,

On behalf of SATISH CHANDRA MEMORIAL SCHOOL, I extend a warm welcome to all participants of the METRER (Mathematics Extra Talent Reward Examination of Reasoning) 2026 – Level I.

The Level I Examination will be held on 12th August 2026 (Wednesday). This year, 1,395 students from Classes III to IX will participate in this prestigious examination. Your enthusiastic response reflects a shared passion for mathematics, logical reasoning, and intellectual excellence.

The seat arrangement for all candidates is provided on the following page. Please check your allotted room and seat carefully and report to the examination venue well before the scheduled time.

The results will be declared within one month from the date of the examination through the school website. Based on the Level I results, only the top 30% of candidates will qualify for the Level II Examination, which is tentatively scheduled to be held on 18th November 2026.

I encourage every candidate to approach the examination with confidence, determination, and integrity. Remember that success is not measured solely by the final result, but also by the effort, discipline, and curiosity you demonstrate throughout the journey.

The entire METRER team is committed to providing a fair, transparent, and enriching examination experience. I wish you all the very best for the examination and hope that this competition inspires you to continue exploring the fascinating world of mathematics and reasoning.

With my heartfelt best wishes for your success.

Coordinator, METRER
