

Inter-school Football Tournament by _____	Title—Byline (Reporter's Name and Class)
An Inter-school Football Tournament was organised by our Vidyalaya from 21 April 20XX to 24 April 20XX at Motinagar Football Ground. Ten teams participated in the tournament.	Paragraph 1: • What • Who • When • Where Note: use of past tense, for example, organised, participated, etc.
The tournament was declared open by the Chief Guest, Dr. Singh, Honorary Sports Secretary of the State, on Wednesday, 21 April 20XX in the presence of all the teams and spectators from the participating schools. The matches were held from 8:30 a.m. to 11:30 a.m. on all the days of the tournament. Following a tough competition, the teams from ABC Senior Secondary School and XYZ Senior Secondary School emerged as the finalists. For the final match, players from both these teams were cheered by students from their respective schools. After an exciting match, the score was tied at 3–3. Subsequently, a penalty shootout was used as tie breaker by the referee to decide the winner. Finally, the team from ABC Senior Secondary School won the penalty shootout and was declared the winner.	Paragraphs 2 and 3: • Description of the event in detail Note: (i) use sequence markers: following, after, subsequently, finally (ii) use of passive form: was declared, were held, were cheered, etc.
The winning team was awarded with a trophy, medals, and certificates by the Chief Guest. Addressing the students, he said, “All of you must take up a sport to keep yourself healthy.” The inter-school football tournament was a great success, showcasing exceptional talent, teamwork, and sportsmanship among the participating teams.	Paragraph 4: • Prize giving ceremony • Remarks by the Chief Guest

Annual Science and Innovation Exhibition

- By Rahul Verma, Class VIII-B

An Annual Science and Innovation Exhibition was organised by our Vidyalaya on 28 August 2026 at the School Auditorium. Over fifteen neighboring schools participated in the day-long event.

The exhibition was declared open by the Chief Guest, Prof. A.K. Roy, Senior Scientist at the National Research Centre, at 9:00 a.m. in the presence of teachers, students, and visiting parents. The exhibits were displayed from 9:30 a.m. to 3:30 p.m. across different sections focusing on renewable energy, robotics, and environmental conservation. Following a rigorous evaluation process by the panel of judges, the projects from Green Valley Public School and Model Higher Secondary School emerged as the top contenders.

For the final round, working models were demonstrated by the students before an enthusiastic audience. After an engaging presentation, the scores were tied between the top two teams. Subsequently, a live viva-voce round was conducted by the Chief Guest to determine the overall winner. Finally, the team from Green Valley Public School scored higher in innovation and was declared the overall winner.

The winning team was awarded a trophy, medals, and merit certificates by the Chief Guest. Addressing the students, he said, "Scientific curiosity and continuous questioning are the keys to solving real-world problems." The annual science exhibition was a grand success, highlighting young talent, creative thinking, and a spirit of inquiry among the participants.
